END OF TERM IS AT HAND

Circuit Court Winds Up its
Business For Fall
Term.

THE JURY IS DISMISSED.

Hung Jury In The Case
Against Cumberland
Telephone Co.

The case of Blaine Williams vs the
Cumberland T. & T. Co. which was
on trial the first of the week, result-
ed in a hung jury and the jury was
discharged.

The case of Houston Morris, etc.,
vs. R. T. Stowe was continued until
the next term.

The case of Thos. Dattilo vs. the
city of Hopkinsville, for \$2,000 dam-
ages, was dismissed without preju-
dice. This case grew out of the
night rider depredations.

The petit juries were dismissed
Thursday and the rest of the term
was devoted to hearing motions.

The jury wheel was filled by the
new jury commissioners yesterday
and court will adjourn today until
February.

L. & N. FIREMAN

Perhaps Fatally Injured By
Being Scalded.

While L. & N. through freight No.
37, south bound, was standing on a
siding at Pembroke yesterday morn-
ing, one of the boiler valves blew
out and a stream of escaping boiling
water struck fireman Yates on the
head and face, badly scalding him.
His injuries are of such a serious
character that they may cause his
death. He was taken to Nashville,
to his home, after his wounds were
dressed by Dr. J. R. Paine.

SAME PLAYERS

No Change Will be Made in
Local Eleven's Line-up
Saturday.

The same line-up that played
against Hopkinsville Saturday will
oppose the Paducah eleven when the
M. H. S., and Paducah H. S. meet
at the fair grounds Saturday. The
game will be called promptly at 3:15
p. m. When the whistle blows and
the pigskin is kicked the most impor-
tant game ever played on the local
gridiron will be in progress. It is
understood that the whole body of
High School students will turn out
to the game, and one of the largest
crowds ever on the field is expected.
Many of the local teams are of the
opinion that Hopkinsville has an in-
ferior team to Paducah and that
Paducah will give them a harder
game than Hopkinsville. Others say
Hopkinsville has the best team.
Paducah eleven outweighs M. H. S.
—Hustler.

MET ON GRIDIRON

H. H. S. And Nashville Foot-
ball Teams

The H. H. S. football eleven yes-
terday played the fast and heavy
team from the Winthrop Training
School, Nashville. The game was
called at 3 p. m. with Beckner, of
Nashville, as referee. It had not
been concluded at the press hour.

Football Manly Sport.

Vicksburg, Miss., Nov. 4.—Al-
though his son, Sterling Gunn, Jr.,
died Monday night as the result of
concussion of the brain following a
scrimmage during football practice,
the Rev. E. Sterling Gunn, rector of
Trinity Episcopal church, Natchez,
lands the game as "manly sport." In
speaking of his son's death he said
football alone should not be blamed,
and that it was an accident.

Robinson-Scales.

Mrs. Barbara Scales Cummings,
formerly of this city, and Mr. James
Robinson, a prominent citizen of
Florence, Ala., were married Oct.
31, in Birmingham, Ala., at the
home of Mr. Gus T. Brannon.

FRAME FACTORY IS DESTROYED

Burned Yesterday Morning
About 5 O'clock on
Fourth Street.

SEVERAL HAD LOSSES.

A Loss of \$1,200 on The
Building, Which Was
Totally Destroyed.

The frame tobacco factory on East
Fourth street, known as the Fallen-
stein factory, was totally destroyed
by fire shortly after 5 o'clock yes-
terday morning. The flames were
discovered by parties living across
the street and an alarm was turned
in, but it was not possible to save
the building, so combustible was the
material.

The building owned by Wiley &
Parker, just east of the factory, and
occupied by the Exchange Grist and
Feed Mill, caught and was damaged
to the extent of several hundred
dollars. The mill machinery was
also considerably damaged and much
of the contents destroyed.

A residence just west of the fac-
tory, owned by Mr. J. F. Ellis, was
gutted, entailing a loss of probably
\$600 or \$700. This building was oc-
cupied by a renter, who succeeded
in removing all of its contents.

The factory contained a lot of
broom corn belonging to Mr. Chas.
King, who was preparing to make
it up into brooms. His loss was to-
tal. The loss on the factory is prob-
ably \$1,200, insured. Wiley & Par-
ker's loss on the mill building is
covered by insurance.

Mr. Ellis had insurance on his
building. The Exchange Grist and
Feed Co. had no insurance on their
stock.

The factory was reduced to ashes
in a very few minutes and the total
destruction of the near-by buildings
was only prevented by the good
work of the fire department.

It is not known how the fire origi-
nated.

Fell In Spring.

Miss Lelia Cook, daughter of Mr.
Milton Cook, a prominent farmer of
the Wallonia district, was drowned
in the big spring on the farm of Miss
Sallie Cook, five miles north of Cadiz,
last Thursday afternoon.

The deceased was on a visit to the
home of Miss Sallie Cook, a relative,
and went to the spring a hundred
yards from the house to get some
water.—Cadiz Record.

Contest at Cadiz

The Old Time Fiddlers' contest,
which was scheduled to be given in
Cadiz July 29 last, for the benefit of
Mr. W. F. Randle, of this city, will
take place at the court house in
Cadiz, Monday night, Nov. 14. A
large number of the best fiddlers in
Western Kentucky will participate
and an entertainment well worth
seeing is promised.

Attorney General In Town.

Attorney General James Breathitt
came down from Frankfort Thurs-
day night and is with his father,
Maj. Jno. W. Breathitt, who has
been ill for several days. He had a
conference yesterday afternoon with
Judge W. T. Fowler concerning the
organization of the new colored
graded school of the city.

NATIONAL HEALTH

Subject of Interesting Paper
Before The Athenaeum.

The Athenaeum met in regular ses-
sion at Hotel Latham Thursday night
and after supper in the dining room
held its literary exercises in the or-
dinary with 19 members present.

Mr. A. W. Wood, elected to mem-
bership, declined to accept and the
vacancy was filled later in the even-
ing by the election of Mr. James
West.

There was but one paper for the
evening. Dr. Austine Bell discussed
"National Health Conservation" in an
excellent and carefully prepared
paper on the subject in all its hear-
ings. It was followed by a general
discussion of pure food regulations,
sanitary requirements, precautions
against the spread of contagious di-
seases and the modern methods of
safe guarding the health of the peo-
ple. Dr. Bell's paper was one of
the best heard by the society. Those
present were:

Austin Bell, C. H. H. Branch, H.
G. Brownell, A. G. Chapman, D. A.
Clark, J. W. Downer, A. H. Eckles,
Barksdale Hamlett, J. T. Hanbery,
Jouett Henry, Chas. M. Meacham,
R. F. McDaniel, Frank Rives, T. J.
McReynolds, S. Y. Trimble, H. C.
Smith, H. D. Smith, John Stites and
W. T. Tandy.

Retail Prices are Still Up.

There was another slump of 25
cents in hogs Wednesday on the
Louisville market. The prices Thurs-
day were unchanged, with the best
hogs selling at \$8.30. Best butcher
cattle were \$3 to \$5.15. Best fat
lambs \$5 to \$5.25. The people of
Hopkinsville are not yet getting the
benefit of the lower prices, the best
steaks selling at 20 cents a pound.
